THE X RAYS OF TRUTH

They Show to the Public a Most Pitiful State of Affairs.

READ! MARK! LEARN

ble showing? You enter the kitchen in the Shepherd house, and the following list tells what you see: A crack in the window casing an inch wide gives plenty A Splendid Opportunity Given the Charitable to Do Work For Man and Thereby Show Their Faith of sir; the door is so arranged that

Jule Verne wrote out of his imagin with a few utensils hanging about the wall; a box, which grimly spake through its emptiness of how anxious it was to be on, and the world was charmed by the

Alexander Dumas wove, out of a few meager thoughts, the wonderful novels of

length. You now step over the threshold into the front room. Here you find a two-hole stove, a safe, four chairs, a life of the slums, the grasping grip of poverty, the awful specter of starvation and the consequent effects of a life given up to licentious tastes, to morbid desires and to the total obliteration of the sense table, two beds, no carpet, with bed-clothes so scare as to cause a panic when the weather is very severe. Of course, of right or God or humanity.

No artist ever put upon canvass a more woc-begone, sad-countenanced and wan-cheeked people than exist in hovels situated in the First Ward of our peaceful

little city.

Men upon beds of sickness, with wife Men upon beds of sickness, with wife and children sobbing because of hunger, shivering for the lack of clothes and with shelter hardly sufficient to keep out the wintry blasts which seem to howl a requiem everlastingly.

But it is useless to write any more as a preliminary to what is to follow.

We desire to arouse the citizenship of Maysville to the pitch of action, and to that end only truths shall be stated; and six children live in three rooms—not large rooms—but rooms. What we found in these rooms could be put in a THE LEDGER wants no action taken till baby buggy, and then have room for an infant of pretty good size. A bed, with an old, dirty, thin mattress, upon which tossed and groaned a sick child with the

thorough investigation.

After appointment of the regular committee, what must be looked after is that ne fraud be perpetrated, no senseless charity extended, for in so doing more harm is done than can be calculated. What we do know is that several men, measles (but we believe the child needed

women and children in the midst of our city are suffering, and no unnecessary de-lay should be allowed. At the head of Phister avenue, in a two-

cook stove they borrowed, but for what use we could not find. No food was in the house, no fuel; nothing, in fact, but At the head of Phister avenue, in a two story rickety old house, dwell two families. Down stairs in one room, twelve feet square, dark and partly under the side of the hill, exists a man, his wife, four children, a boarder by the name of Snowden then, a boarder by the name of Snowden.

The firstnamed man. As the scribe entered the low-ceilinged room a sight so pitiful met his gaze as to melt the hardest nature. In the center of the room stood a table, we hope the reader will learn, if nothing better comes out of your reading this. If you are dissatisfied with your lot in life and think your blessings are not such upon which rested a little black coffin, containing the emaciated form of a little boy. His hollow cheeks, sunken eyes life and think your blessings are not such as you should enjoy, if you think the Lord is withholding from you things that you ought to have, apply at this office and we will supply a guide to have you visit these homes we have pictured, and containing the emacutact form of a much or year, both officers of the control of you will surely come away leaping with joy, laughing with supreme delight that you have a comfertable abiding place, surrounded with the necessaries of life, husband—who is suffering with bronchitis and other tubercular diseases. In the corner upon a common chair sits the dwelling in peace and comfort, law-abiding and happy.

Taste in

Jewelry.

You can be over-jeweled as well as over-dressed. is necessary in selection of jewelry. That is eminently what we strive after; we se lect our stock with as much regard to taste as to prices. The result is we have one of the most beautiful displays of jewelry, watches, diamonds, silverware, &c., that can be Call, and we will take pleasure in show-

J. BALLENGER, Maysville, Ky.

stead of whitewash. A few pieces of carpet lie around, a half dozen chairs stand uninvitingly amid the confusion. As to the query, "Have you food and LETTER FROM LOUISIANA, ture be an "effete monarchy."

New Orleans, La , Feb. 27th, 1896. Deer Ledger: New Orleans may be a city of magnificent distances, too, but it is not "to a looker on in Vienna" with-out some altitudinating supplement, such

the weather is very severe. Of course, the six inmates cannot occupy the below, so two of the children sleep on the floor. As to food, Mrs. Shepherd replied to the question of quantity in the larder, "I have a mess of flour." There should be, must be a climax to all tales, so we have been true to the rule and now produce the climax: On the corner of Front and Wall On the corner of Front and Wall streets, in the house owned by Mr. J. H. McKibben, dwell three or four families, —large families, too,—but to only one comer of this house do we invite your attention. Mr. and Mrs. Maybrier and the water from roofs, calling them cis-

Be as a balloon, and the missed by carelesses and the mass a balloon to exceed the world. but is rapidly deteriorating in commerce, caused by carelesses and the mass a balloon to exceed the world. but is

A few days ago a party of railroad men, together with some Englishmen, went down the river from here on a tug for the water from roots, calling them cisterns, which remain from year to year
without cleaning. This is the reliance
for water for all purposes. It cannot be
called water, for water is a pure element.
Thus it must fester with malara and
other diseases.

Many of the streets here look for all
the world like an Illinois mudroad when placed: "That is where Andy Jackson

himself, and it is not in evidence Yes. I saw "Mardi Gras." I went down some street proper.

It was said away back that all roads led to Rome, so here the principal streets lead to Canal, which is the great Applian way of the city, and is the chief high-way and artery of commerce and travel, banners and gay costumery under the Anent the water and sewerage questions our people should come here just one

tions our people should come here just one the city. They would go home satisfied that the world cannot surpass our water system, while few places of Mayaville's and then stop kicking. They do not know lower that the world cannot surpass our water system, while few places of Mayaville's may be a surpass our water system, while few places of Mayaville's may be a surpass our water of the stop kicking. They do not know to consist one. Here is a fame missionary field for the genius of the missionary field for the genius of it is consistent one.

However much this city may be lacking in some other respects, she has some magnificent Public School Baildings. I have not seen one which, in point of size, but is as large as all ours puttogether, and then as to appearance, don't speak of it, except as to our Fifth Ward Building. I will pit it against any other in kind on the continent, except as to our Fifth Ward Building. I will pit it against any other last week and was a very notable function amongst that denomination.
